Tipu Ora Oranga Niho Dental provides oral health services from pre-school age through to adults. Our services include treatment for:

- WINZ clients eligible for a quote for assessment and emergency treatment (subject to Work and Income NZ approval).
- Assessment and treatment for adults with community services card for 'relief of pain' with a payment of \$35.00 per visit (two visits per year).
- Assessment and treatment for pre-school children.
- Special Dental Services for children referred by the School Dental Therapist/Nurse.
- Assessment and treatment for adolescents (1st year at high school) and up to the age of 18 years.
- Non community services card holders are welcome.

Tipu Ora is an ACC dental treatment provider.
